BY POPULAR DEMAND! A LITTLE BIT OF WATERCOLOUR FOR YOUR CLASSROOM WITH KARIN HUEHOLD

The feedback was so positive from the last Art-Venture workshop where everyone wanted “more painting please!” We just had to bring Karin back! Join Karin for a fun and easy introduction to watercolour. You will have lots of fun learning many watercolour techniques in a “no pressure” setting that you can easily transfer to your classroom. We will be working on small watercolour paper, so you can play and learn to your heart’s content! You will finish **at least two** small paintings that showcase a variety of watercolour techniques. All are Welcome! All levels with something for everyone! Don’t waitRegister NOW! Space is limited. (Really!)

Karin is a much sought after workshop instructor and is known for her sense of fun and creativity. “A Little Watercolor”, her most popular workshop, was designed to share her love of watercolour in a fun, and easy to understand manner. She is a well known Calgary artist who has taught many workshops in all parts of Western Canada. Classes are always lighthearted and lively! The focus of her workshops is to encourage, entertain and help students discover the joy of art making and of course, have fun!!

What people say ... *“Thank you so much for the day filled with art and laughter... you always come up with great ways to stimulate creativity. You are a great teacher and so inspiring!! To learn more about Karin visit <http://huehold.ca>*

Noon –12:50 PM.

Lunch and networking
Please bring a “ready-to-eat” brown bag lunch

1:00 – 3:00PM

HOW PAINTING BEGAN: THE MAGIC PICTURES OF THE CAVEMEN WITH CAROL SCARRATT

Did you know that Art is a fundamental need of Humankind?!

This session will explore the magic pictures of the early cavemen and the theory behind their creation some 35,000 years ago. A fun, interactive learning session where you’ll get to make your own “magic” painting. Before going home you’ll also use one of your morning projects to make a lovely handcraft gift to share your new learning!

A frequently requested conference presenter, Carol Scarratt is founder and now Professor Emeritus of Western Montessori Teachers’ College BC. (est.1979). With over 30 years involvement in the Montessori Method, she is an award-winning alumnus of Royal Roads University Victoria with a Master’s degree in Leadership and Training and Montessori teacher certification for children Birth – 12yrs (St Nicholas Montessori, UK). Carol is presently principal consultant of ©Renaissance Montessori Services, her private practice offering personal coaching, Appreciative Inquiry and Professional Development to learning organizations. Contact Ms Carol at carol.renaissance@gmail.com.

What people say ... “I will remember the passion and care with which you delivered your workshop! The entire workshop was so insightful for me... The presentations were great gems that I will surely remember ...Thank you!”
